DAYLIGHT CCT

EASY INSTALLATION

COLOSSAL SCONCES CONVEY MAGNITUDE

It can be difficult to find an outdoor wall sconce larger than 30 inches, and to get the style you want could be time consuming and costly process.

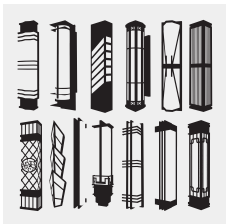

Our COLOSSAL Sconces stand a towering 3 or 6 feet tall and come in 13 distinct styles that you won't find anywhere else. Each sconce is crafted by hand and assembled in Houston, TX, which means we can ship out a fixture to your specifications the same day it is ordered. The fixtures themselves are extremely easy to install and last almost indefinitely with a replaceable light source.

Make a statement at your entrance—sometimes bigger is better.

You have options:

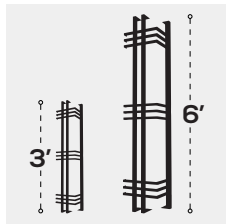

- Available in 13 styles to match your aesthetic
- All models come in both 3 ft and 6 ft sizes
- 6 Lens types total (1-2 options per fixture)
- Warm white or daylight color temperatures

1.

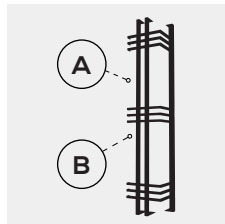

Find a model that matches your style.

2.

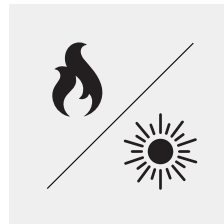

Pick your size, large or extra large.

3.

Some models have an alternate lens.

4.

Choose warm white or daylight CCT.
